JETBLACK SMILE

BETWEEN A SWING AND A HEADBANG

WHO WE ARE

Hard Rockabilly rebels with crooner charm and hardrock scars. JetBlack Smile takes Early Elvis and Johnny Cash swagger, drags it through a mosh pit, and spits out chaos wrapped in velvet. Think: slap bass meets distortion, swing rhythms crashing into explosive choruses.

FOR FANS OF

Elvis Presley • Johnny Cash • Stray Cats • Nirvana • Pearl Jam • Foo Fighters

HIGHLIGHTS

- The pioneers of Hard Rockabilly – crooner charm colliding with hardrock scars.
- Explosive live shows that blur the line between mosh pit and sock hop.
- A sound both nostalgic and new – rockabilly swing twisted with distortion and chaos.
- A fast-growing underground following drawn to raw lyrics, wit, and rebellion.
- Uncompromising authenticity – every note cracks where the soul bleeds.
